

Storekeeper Tooling

Due to the continued expansion, SAMCO is looking for additional support at the Logistics department. This concerns a full-time (40 hours per week) permanent position at Maastricht Airport, The Netherlands.

Company profile

SAMCO Aircraft Maintenance, established in 1988, is an independent third party maintenance provider for a complete range of regional jet and turboprop aircraft.

Keeping the aircraft in the air, safe and punctual takes a team of dedicated, professional, highly trained and motivated maintenance engineers, able to troubleshoot and maintain aircraft mechanical, avionic and powerplant systems.

SAMCO Aircraft Maintenance employs over 200 employees operating out of its base maintenance facilities located at Maastricht Airport and at various line stations across the world.

More information can be found on our website www.samco.aero

Application description:

To support the aircraft maintenance projects on the hangar floor, the Storekeeper Tooling is mainly responsible for processing incoming and outgoing tools and equipment as soon as possible.

Task description / Responsibilities include:

- › Maintain the tooling and equipment database for identification and calibration.
- › Up keeping of the tool store and issuing of tooling and equipment to the hangar.
- › Maintenance and calibration of tooling & equipment including the administrative processing.
- › Outsourcing of calibration and repairs.
- › Keep tool store clean and tidy.
- › Any other tasks that might come up during the day-to-day operation in an aircraft tool store.

Applicant qualifications:

- › MBO degree or equivalent, Aviation Management is an advantage.
- › Experience in a similar position in an international work environment is an advantage.
- › Good knowledge of Microsoft Office Programs and database environments.
- › Good English communication skills in writing and verbally.
- › Ability to work in a dynamic environment with deadlines.
- › The applicant must be pro-active and customer focused.
- › The applicant must be a team-player and have an accurate and conscientious work attitude.
- › The applicant must have a flexible attitude, be willing to cover weekend and evening duties in a regular pattern and work on the shop floor and / or at the tool store.

We offer:

- › Required coaching and training.
- › The opportunity to become part of a dedicated and professional team in an international working environment.
- › The possibility to develop yourself in line with your ambitions.
- › Good primary and secondary employment conditions.
